Re: Truth in Millage (TRIM) Certification

Dear Mr. Arnold:

The Department of Revenue has reviewed the millage certification documents submitted by your taxing authority and determined that it meets the certification requirements of subsections 200.065(1)-(4), (6)-(12), (14) and (15), Florida Statutes. The Department has found no violation of the requirements of the listed subsections and accordingly accepts your certification as meeting the stated requirements.

This determination applies only to the TRIM certification requirements in the listed subsections of section 200.065, Florida Statutes. A determination regarding the maximum millage levy requirements of section 200.065(5), Florida Statutes, will be sent in a separate notice.

Sincerely,

  
James McAdams, Director
